Grief Support Groups

April–June 2022

Suncoast Hospice invites you to participate in one of our grief support groups. These groups are designed to provide you support after the loss of someone important to you. Grieving is a uniquely personal experience and many people find comfort, hope and strength by coming together with others to remember loved ones.

Our groups are open to those whose loved ones were under the care of Suncoast Hospice and anyone in our community who has experienced a loss. The groups are generally six-weeks long and are facilitated by trained and experienced counselors. We also provide special educational workshops and community memorial services at various times during the year.

Please take some time to review this brochure and select a group that suits your needs. A new schedule is mailed quarterly throughout the year. We hope you find a group at a time and location convenient to you.

For the safety of our participants, staff and volunteers: Masks are required and groups size will be limited based on the size of the room.

To register for a group, call our registration line at (727) 523-3455. Individual counseling is available through the Bereavement and Community Counseling programs. Call (727) 549-7133 for more information.

We look forward to supporting you through your journey of healing.
